

STATE STREET.

Calling All Nominees — Most Innovative Fundraising Award

More than 1,800 brave and dedicated individuals will lace their hiking boots, put on their backpacks and rise to the challenge on 19-20 July for Trailwalker UK 2008, a 100-kilometre team endurance challenge across the South Downs of England to raise funds for Oxfam and the Gurkha Welfare Trust.

As part of the sponsorship by State Street Bank and Trust Company (“State Street”) of Trailwalker UK for the third consecutive year, State Street is proud to announce the call for entries for its **Most Innovative Fundraising Award** for the second consecutive year. The State Street Most Innovative Fundraising Award recognises the team who has come up with the most innovative way of raising money for this year’s event. Teams of no more than four must finish the walk and submit a 300-word description that illustrates the creative and resourceful way that the team chose to raise money for this event - photographs are welcome where applicable. Nominations made on behalf of another team will also be accepted.

The winning team, to be announced later this year, will receive a £300 monetary gift (awarded to each team member) and a £3,000 donation from State Street to be awarded in the team’s name to one of the many community projects that Oxfam or Gurkha Welfare Trust support.

State Street is committed to ensuring the vitality and prosperity of the communities in the U.K and throughout Europe. Trailwalker UK is an extension of State Street’s long-standing support for Oxfam’s fundraising events worldwide.

The deadline for the Most Innovative Fundraising Award entries is 30 September 2008.

Nominations must include each team member’s full name, team number and nominator name (if applicable) and may be sent:
